ISO 9001:2008 Certification Announcement

The Management and Staff are pleased to announce that Lifeline Medical, Inc. and its wholly owned division Skin for Life, has been awarded ISO 9001:2008 certification.

Certification to ISO 9001:2008 demonstrates that Lifeline has an effective Quality Management System and is committed to quality through established and consistent policies, practices, and procedures for all of its products. ISO 9000 is the internationally recognized series of quality management system standards issued to date in 180 countries.

The ISO accreditation is a testament to Lifeline's company-wide commitment to supporting our worldwide partners with quality products, and sustained call for continuous improvement. This commitment starts with our senior management and is fully embraced by all Lifeline personnel.

We believe that our decision to become ISO 9001:2008 certified is a proactive one that not only anticipates the demands of our customers, but also demonstrates our commitment to providing quality products and services.
