

ETA CLASSIC SERIES

The ETA (Easy-To-Assemble) Classic Series of tables combines ease of assembly with the timeless beauty of hardwood legs, scratch-resistant topcoat and the durable quality of Clinton construction to give you everything you want in a classic wood treatment table.

FEATURES

- Save money on shipping. Clinton ETA tables ship flat by UPS® or FedEx® Ground (1 to 3 units)
- Single person delivery and assembly
- No inside delivery charges (UPS® or FedEx® Ground)
- 350 lbs. load capacity
- Assemble with only basic tools
- Large orders that are less expensive to ship via common carrier will have the tops pre-attached (4 or more units)

Pre-assembled plywood frame, now with 16 steel reinforced stress points

Pre-mounted, heavy-duty, all steel adjustable backrest support system

* 088-Optional Non-Adjustable Flat Top also available. See page 25 for details.

NOTE: Flat top models ship via common carrier.
